 Noida, In |  +91-9911053033 |  naksh.misra@gmail.com | <https://saurabhmisra.com>

Technical Lead | Senior Magento Developer | Full-Stack Development | Software Engineer

PERSONAL INFORMATION

A highly accomplished IT professional with over 12+ years of experience leading program design, development, integration, and testing throughout the software development lifecycle. As a solution architect for a product-based organization, I have a proven track record of successfully building online applications leveraging Adobe Commerce (Magento-2), AWS Server, Node.js, React.js, MySQL, CDN, and caching mechanisms. My expertise extends to Adobe Commerce to Salesforce & Dynamics Integration and advanced programming within the Magento-2 framework. I am a strong advocate for and practitioner of Agile Methodology.
